This remote control system is a perfect for setting residential or commercial. Application with 3 batteries AAA (not included)

- User-friendly interface, easy and simple operation
- Control up to 4 zones, each zone can have an endless quantity of receivers, each receiver can maximally be controlled by 8 different remotes.
- Set 3 scenes at each zone
- Preset 10 changing modes, with pause function
- Synchronization function of pattern changes ensure consistent change forever.
- Receivers can work with RF-WIFI converter after installing software on IOS and Android system.
- Enable to dim brightness of each R,G,B,W channel in order to mix many colors

NTREM-RF-SR2819RGBW

This remote control system is a perfect for setting residential or commercial. Applications with a wall base and USB cable for recharging batteries

- User-friendly interface, easy and simple operation
- Control up to 8 zones, each zone can have an endless quantity of receivers, each receiver can maximally be controlled by 8 different remotes.
- Set 8 scenes at each zone
- Preset 10 changing modes, with pause function
- Synchronization function of pattern changes ensure consistent change forever.
- Receivers can work with RF-WIFI converter after installing software on IOS and Android system.
- Enable to dim brightness of each R,G,B,W channel in order to mix many colors

NTREM-RF-SR2818RGBW

LED receiver controller

Work with different sender and can control RGBW, RGB, CCT or single color LED lighting

INPUT : 12-36VDC
CURRENT : 3/4X700MA
OUTPUT: 3/4X(8.4-25.2)W
DIMENSION: 46X178X28mm
